MEMORANDUM FOR: Director, Central Reference Service

FROM : James H. McDonald
Director of Logistics

SUBJECT : ADSTAR Development

REFERENCE : Memo dtd 27 Aug 76 to D/L fm A-D/CRS,
Same Subject

1. Pursuant to the referent memorandum, the Office of Logistics (OL) has assembled a team of specialists to work with you during the implementation of the ADSTAR system. The team consists of focal point officers from each of the divisions which would provide services during a program of this type. If interface requirements appear to warrant designation of a single overall OL project officer, please advise and I will appoint one. These focal point officers are:

- STAT a. [] HEB/RECD/OL, [] STAT
facilities engineering;
- STAT b. [] LSD/OL, [] archi- STAT
tectural and space layout;
- STAT c. [] PD/OL, [] pro- STAT
curement, and
- STAT d. [] P&PD/OL, [] STAT
micrographics and other printing and photography.

2. It is requested that at your earliest convenience these officers be briefed on the ADSTAR system and its facility requirements in order to begin the detailed planning for the implementation of the ADSTAR system in FY 1978 and FY 1979. We look forward to working with you throughout this project.
